Commissioner for Patents
Alexandria, VA 22313-1450

Dear Sir:

When Applicants submitted the issue fee in the above-captioned application, only one of the two assignees of record was identified in the appropriate space of the Issue Fee Transmittal Form (PTOL-85B). However, Applicants hereby request the issuance of the above-captioned patent application in the name of both of the assignees of record: (1) Agriculture Victoria Services Pty. Ltd. of Melbourne, Australia and (2) Australian Pork Ltd. of Deakin, Australia. Since this request is being submitted after payment of the issue fee, Applicants are following the procedure established in M.P.E.P. §1481.01. Accordingly, Applicants include the following:

A. Applicants hereby state that assignments were submitted for recordation as set forth in 37 C.F.R. §3.11 before issuance of a patent on the present application. A copy of the Patent Assignment Abstract of Title is attached showing reel and frame numbers where the assignments representing the entire chain of title from the inventors to the two assignees are recorded.
